<http://www.capitalremodelandgarden.com/add-exhibitor-login>
2. Log in with the username: **CRGSFebruary** and
password: **CRGSFebEX8**
Please note that the password is case sensitive. Contact your show

Information form.
4. We will update and maintain your page as required so you can

Tips to get the most out of your listing

- Enter a full description of your company. The more information you
provide the better, as it will help people find you using the
search tool.
- Use as many keywords as possible. The keywords will help you
appear in the search results. If you sell different types of products, be
sure to list them all.
- Select the category that best represents your company. Your
company will be listed under this heading.
- Include your booth number. Make sure customers can find your
company on the show floor.
- Offer a show special or discount. Use a promo code or offer a percentage off to people who mention your listing, this way
you can track the results.
- Follow up with email requests. Be sure and reply to any quote requests you receive - try and make appointments with
customers during the show.

Benefits of creating your company listing
